

Elk County Catholic School System

2020-2021 Annual Giving Report

Our Life. Our Sweetness. Our Hope!

The Elk County Catholic School System honored Mary across all campuses with our annual May crowing. Bringing us messages of hope and healing, and, most importantly, messages calling us back to her Son, we surrender ourselves completely to Mary's protection and guidance. This publication demonstrates just some of Mary's graces during a challenging school year and the kindness of the many gifts she inspired. We pray that Mary continues to watch over us all!

a message from the president of eccss

Dear Friends and Supporters of Elk County Catholic School System,

Well. That was strange.

Or... maybe it wasn't.

This summer ECCSS wrapped up a highly successful 2020-2021 academic year despite a host of challenges. We never closed our doors due to the Covid pandemic, giving our students a full year of in-person instruction. Our parish priests worked extremely hard with our faculty and staff to provide Mass, sacraments and ministry within all of our schools. Our coaches and advisors never missed a beat, as our students continued to grow outside the classroom in our clubs, activities and athletic teams.

I cannot say enough about all the people who teach, learn and pray with me here at ECCSS. I have never been more proud of a group of people.

If you are reading this report, that sentiment extends to you.

As it became clear in 2020 that the pandemic was going to make a major impact on our community, we worried not only about the health and well-being of our students and staff, but also about the future of our Catholic school system. As you will see in this report, our supporters responded in unprecedented ways. Our business support efforts and our Annual Appeals met or exceeded all of our goals. Private donors emerged to offer tuition support to families in need. And our local fundraising efforts, spearheaded entirely by heroic and committed volunteers, remained rock solid. A few examples give you a sense of why I am so amazed:

- ◆ All of our support groups—the PTOs, the Athletic Association, the Music Boosters—met or exceeded their budgeted goals for the year despite enormous challenges.
- ◆ The St. Marys PTO was forced to completely restructure every aspect of the Race for Education, one of its largest events, and still managed to have one of its best years ever.
- ◆ The Outdoor Bash and the Diamond Dazzle, both major fundraisers for our Athletic Association, almost had to be cancelled. But our volunteers got creative and launched virtual versions, and profits INCREASED from previous years.
- ◆ St. Leo was forced to cancel the Reverse Raffle, which has been the schools most important fundraising event for more than 20 years. Scrambling to replace it, the PTO launched a new calendar fundraiser which more than replaced the loss of the raffle.
- ◆ St. Leo also brought back their beloved Fishing Derby, which had its best year ever, and added a host of other efforts such as a regular Sunday Supper and a huge Walmart truckload sale.
- ◆ Our Music Boosters persevered and managed to safely and effectively hold its multi-phasic testing event in the spring.

In retrospect, perhaps I should not have been amazed. Catholic education has changed dramatically over the years across the country, and Elk County is no different. But one thing has remained constant; our supporters have always punched above their weight. Through wars, recessions, changing demographics and an increasingly hostile culture, ECCSS schools have been able to offer a strong, faith-filled, affordable Catholic education to the families of our region. There is no way we would have been able to do that this year without you.

The pandemic changed everything... and nothing at all. We came to work and did what we always do.

So did you.

As a school administrator, I thank you. As a parent with many children in our system, I thank you. As a member of this community who firmly believes that offering a quality Catholic education parallel to our excellent public schools is a sign of local vitality, I thank you.

Our Catholic schools remain strong.

Yours in Christ.

Sam MacDonald

servant leaders

Service to others is an ongoing focus at ECCSS, all the way from preschool through twelfth grade.

The pictures below and throughout this report show just a few of the service initiatives that occurred at all four ECCSS schools during the 2020-2021 school year. We are so proud that our students participate in these activities to help others as we build up our school, parish, local and global communities!

Make a Wish

For the last 26 years Crusader Basketball has worked with The River 98.9 to raise funds for the Make-A-Wish Foundation and spread some holiday cheer by singing a classic Christmas song.

On Friday, December 4th, the ECCHS Boys Basketball team made their yearly contribution to the Make-A-Wish Foundation. The team increased their \$2,815.15 total from 2019 to \$4,015.15 in 2020.

Tens of thousands of volunteers, donors and supporters advance the Make-A-Wish® vision to grant the wish of every child diagnosed with a critical illness.

Thank you to our Health Service Providers!

During Catholic Schools Week St. Marys Catholic Elementary School's second grade classes delivered 150 carnations for all Pinecrest residents and any patient in Penn Highlands Elk. Students also collected items for baskets given to Penn Highland's and Pinecrest's housekeeping and dietary departments. Each basket was filled with snacks and drinks, thanking Penn Highlands and Pinecrest staff for all they do.

Pictured accepting the flowers and baskets were: Brad Chapman, President of Penn Highlands Elk, Megan Bolden, Pinecrest Manor Administrator, Kara Bauer, Emergency Department Manager, & Duane Neal, Director of Environmental Services.

cess service

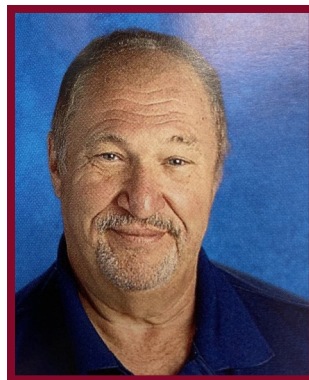

Thank you to the following staff for your years of service at Elk County Catholic School System. We pray God keeps you safe and well, wherever you may turn, surrounded by your loved ones, living out the dreams you've earned. So never waste time wishing that you could have done more...time to watch those seeds you planted grow and trust God for what's in store!

Plowing Through A Pandemic

It can be argued that Elk County Catholic High School, with all activities, essentially never shuts down. Even during a pandemic, this statement has held true. So when the threat of snow accumulation lingers in the air, the weight and responsibility of having a safe parking lot for our students, staff, family, friends and guests lies on the shoulders of Mr. Ralph Swackhammer, head of maintenance.

Ethel S. Barnes (Simbeck), an alumna of St. Marys Central Catholic High School Class of 1932, left a portion of her estate to Elk County Catholic High School when she passed away in 2007. The unrestricted gift was deposited into a special account to be utilized for future use. Well, the "future" has arrived. After twenty years of hard service from our previous truck we are pleased to announce the newest addition to our high school workforce: a 2021 Chevrolet 3500HD truck! Thank you to all our faithful servants who continue their legacy through Catholic education.

ccess donors

"We make a living by what we get. We make a life by what we give"

Please find on the following pages the individuals and businesses who graciously donated to the Elk County Catholic School System during the 2020-2021 school year. These lists include monetary donations, but do not include all the time volunteered or the in-kind gifts that are we receive year round for the various events that take place at ECCSS. Without all of these individuals and organizations who give of their time, talent, and treasure, our schools would be in jeopardy. Thank you to all our donors for all the contributions they make to benefit our students and their futures.

Throughout this next section, you will not only read the names of our benefactors and supporters but you will also notice examples of how our students are contributing to the betterment of our community and our world. Enjoy, and please keep them in your prayers as they continue another school year at ECCSS.

Representatives from CNB Bank presented a contribution through the Pennsylvania Educational Improvement Tax Credit program (EITC) to the Elk County Catholic School System. The STAR Foundation, a non-profit entity created by the Diocese of Erie, receives funds through the EITC program and allows businesses to make contributions for educational purposes to the school of their choice.

Pictured, from left to right, are:

Joe Haines, VP Commercial Banking (Washington St.), Sam MacDonald, ECCSS School President, Darlene Buttery, Community Office Manager (Fox Twp.), Danielle Daniels, Commercial Banking Officer (Fox Twp.), Eric White, AVP Market Manager, Sue Jansen, ECCSS Director of Advancement, Amanda Wagner, Community Office Manager (Ridgway), Stacy Sherry, Community Office Manager (Washington St.), and Michael Haines, VP Commercial Banking (Fox Twp.)

ECCF Awards Annual Grants to ECCSS

The vision of the Elk County Community Foundation is to connect people who care with causes that matter. ECCSS created an agency endowment fund with the foundation years ago, which provides ECCSS with an annual unrestricted disbursement. These ECCF permanent funds established by donors in their estate plans help support Catholic education in the Elk County area. Last year's combined award for all these individual funds was \$77,896.

Thank you for your continued support of ECCSS!

Please remember those in our alumni community who have passed away. May God grant them eternal rest and may the perpetual light shine upon them. Our deepest sympathies are extended to their families. If you know someone who was inadvertently omitted from this list, please let us know by emailing or calling the ECCSS Advancement Office (814-834-1480 x 232, advancement@eccss.org).

Did you know that a part of the St. Marys Catholic High School building was preserved and incorporated into the Elk County Catholic High School and St. Marys Catholic Middle School Chapel? It is a humble testament of our history and a memorial to our alumni...we move forward on a solid foundation!
