

Uniform Exchange/Try-it-on-for-size Day

Plans are in the works for our annual uniform exchange day. This is a great way to get some free, gently-used uniforms without having to exchange anything! If you don't find what you are looking for at the exchange, we will have several sizes of the Flynn and O'Hara uniform available so you can try them on for size before ordering.

This should help eliminate guessing what size would work for your child.

The exchange is Wednesday, June 28 from 9:00am - 11:30 am and 6:00 pm - 7:30 pm in the St. Marys Catholic Elementary school cafeteria. If you are unable to attend at these times, please contact the office (834-4169) to schedule another time after June 28 that may better fit your schedule.

When you arrive please park in the big lot and use the exterior door to go directly to the cafeteria. Look for a neon sign to direct you.
