Lucy Claire Weis is the 5 year old daughter of Devin & Tammy (Yanak) Weis who was recently diagnosed with Acute Lymphoblastic Leukemia (ALL). Lucy will have months of chemotherapy at UPMC Children's Hospital.

We are hopeful for Lucy's full recovery from ALL which can be 2.5 - 3 year process.

Lucy is an energetic, outgoing, comical 5 year old who enjoys playing with her 8 year old brother, Marshall, playing with her cousins, doing crafts, riding her bicycle(recently without training wheels!!), and playing with her bunny, Gary!
