

Saint Leo School Trout Derby

20 Year Celebration

April 27 & 28 , 2024

This year's derby will be held on April 27&28, 2024. We are planning another record year of fishermen, in the past years we have hosted hundreds of men, women, and children fishing for prize fish. Everyone looks forward to a family filled weekend of fishing, camping, crafts, live music, and fishing demonstrations. Last year the children's derby was enjoyed by over 100 children, and they all went home with a prize just for having fun, all because of the generosity of our sponsors. This year we would like to increase our prizes and have a big celebration so please consider adding an extra donation just for the children's derby.

Your charitable contribution to this year's event will help cover the cost of advertising, entertainment, prizes for the main derby, prizes for the children's derby and offset the cost of the stocked fish.

Thank you for supporting the St. Leo School Trout Derby. We invite you and your family to attend the derby. Come experience firsthand our school family and meet the children and families you are helping. Visit www.stleosfishingderby.com or contact me via email at: trout_derby@hotmail.com

NAME OF FISH	AMOUNT—MIN OF \$20

****Make Checks Payable to St. Leo School****

I would prefer or also make a donation to towards the following:

_____ Children's Derby _____ Advertising _____ Direct donation to School
