SMCES "Welcome to Kindergarten" Readiness Program

Providing a personal touch and individual attention, our St. Marys Catholic Elementary School teachers will foster learning in a child-centered environment, allowing growth in social, emotional, spiritual, and academic areas. Each day of camp will have its unique focus to sharpen the skills necessary for kindergarten, such as letter, color, and number recognition, letter sound association, reading, handwriting, basic math concepts, fine and gross motor skills, active play/making friends, etc. Themed days will also occur, and the week will conclude with a family picnic at SMCES.

*** Children should bring their own water bottle daily. A snack will be provided daily. Please list below if your child has any known allergies.**

This program is open to all students. However, please note that priority will be given to those enrolled in kindergarten at St. Marys Catholic Elementary School for the upcoming 2024-2025 school year.
