

## **SMCES SUMMER READING AND MATH PROGRAM**

This year's Summer Reading and Math program will be *free of charge* to students currently in grades K-2 only. We can only offer the program to K-2 students due to the lack of summer help. This is the last summer COVID relief funds from the IU9 will fund this program.

\* The goal of this program is to help students strengthen their skills in math and reading. *Act 89 Math and Title I Reading* students would benefit from attending this free program to help with learning loss over the past few years.

\*Classes will run on Tuesdays and Thursdays from 9 a.m. to 11 a.m. for six weeks.

Classes will begin on Tuesday, June 11, and run through Thursday, July 25th. (See attached schedule for dates/changes)

\*If you have any questions or concerns, please feel free to contact me:  
Leanne Kilhoffer-594-6354

Please fill out and return the following page to reserve your child's spot for this program. **Please return all permission slips by May 10, 2024.**
