BOY'S DRESS CODE

DRESS CODE

In any educational environment, there should be a dress code for students. The uniform policy at St. Leo School teaches students that their bodies matter. It encourages self-respect, respect for the educational establishment and reverence for God by teaching that God and the truth deserve the best they have to offer. Students wear a neat, attractive uniform, which not only indicates the equality of all students, but enhances the learning environment. We want our students to understand that authentic self-expression comes from thoughts and words, not from one's outside appearance. It is for these reasons that we ask that parents take the necessary steps to make sure students are aware of and adhere to the uniform code.
