

St. Marys Catholic Elementary School

Extended Day Program

The SMCES Extended Day Program will be available for the 2023-2024 school year for students of ECCSS preschool through grade 5.

Due to the overwhelming response for our Extended Day Program we will have families register but be placed on a **waiting list**. Once we are able ensure proper staffing we will begin to notify families if they have been accepted into the program.

Extended Morning

Extended morning will take place daily from 6:30- 8:05 in the gym. Students may enter the building through the gym door entrance.

Snacks will be offered daily for 75 cents each; snacks should be finished before dismissal to classrooms. This should not replace breakfast.

Extended Afternoon

Extended afternoon will take place daily from dismissal until 4:30.

Snacks will be offered daily for 75 cents each.

Students may be picked up at the gym doors. There is a door bell at this entrance. When you arrive, please push the door bell and a supervisor will greet you. If the students are outside they may be picked up at the playground in the large parking lot.

Cost

\$5 per child per session (morning/afternoon)

\$7 per family per session (morning/afternoon)

Due to limited space, your registration holds your child's spot. Therefore, you will be charged for any day that your child is registered i.e. if you register your child for Monday, Wednesday and Friday and your child only comes 1 day you will still be charged for all 3 days.

2 Hour Delay/Cancelation

Please keep in mind that doors will open at 9:00 a.m. on delay days. Also, if there is a cancelation there will be **NO** Extended day program.

Note: Continuation of the program in the 23/24 school year is dependent on adequate staffing.

If you have any questions or concerns, please feel free to contact me at 834-4169 or email eccsslatchkey@eccss.org.

Thank you,
Amanda Wingard
