

St. Marys Catholic Middle School

The following list of supplies can vary slightly from one teacher to another, but it should provide a good guideline for shopping. Each student is asked to bring a box of facial tissue at the start of the school year.

- Students are permitted to carry backpacks throughout the school day
- Students are permitted to carry water bottles – we ask that students carry plastic water bottles or metal water bottles with a sleeve or protective covering.
- We have a large supply of locker shelves on hand for students to use. Locker shelves do not need to be purchased
