SMCES "Welcome to Kindergarten" Readiness Program

At St. Marys Catholic Elementary School, our teachers provide a personal touch and individual attention while fostering learning in a child-centered environment that supports growth in the social, emotional, spiritual, and academic areas. Each day of camp will feature a unique focus designed to strengthen the skills needed for kindergarten readiness, including letter, color, and number recognition; letter-sound association; early reading; handwriting; basic math concepts; fine and gross motor skills; and active play while making new friends. Special themed days will add to the fun throughout the week, and camp will wrap up with a family picnic at SMCES.

*** Children should bring their own water bottle daily. A snack will be provided daily. Please list below if your child has any known allergies.**
